I TERMS AND CONDITIONS OF YOUR ACCOUNT

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

WHAT THIS MEANS FOR YOU: WHEN YOU OPEN AN ACCOUNT, WE WILL ASK FOR YOUR NAME, ADDRESS, DATE OF BIRTH, AND OTHER INFORMATION THAT WILL ALLOW US TO IDENTIFY YOU. WE MAY ALSO ASK TO SEE YOUR DRIVER'S LICENSE OR OTHER IDENTIFYING DOCUMENTS.

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of the branch in which your account is located and other applicable rules, such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this document is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership, or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

Throughout this document, when a provision is identified as being applicable to a certain state (for example, "in Maine"), it means that the provision is only applicable if your account is held at a branch located in that particular state. Any provision which is not described as applying to a particular state applies to your account.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance, whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of indorsement or lack of indorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which was later returned to us due to an allegedly forged, unauthorized or missing indorsement, claim of alteration, encoding error or other problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and, in attempting to collect, we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be

at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. If you deliver a deposit to us and you will not be present when the deposit is counted, you must provide us an itemized list of the deposit (deposit slip). To process the deposit, we will verify and record the deposit, and credit the deposit to the account. If there are any discrepancies between the amounts shown on the itemized list of the deposit and the amount we determine to be the actual deposit, we will notify you of the discrepancy. You will be entitled to credit only for the actual deposit as determined by us, regardless of what is stated on the itemized deposit slip. We will treat and record all transactions received on a day we are not open for business as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party indorsers to verify or guarantee their indorsements, or indorse in our presence.

WITHDRAWALS - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account. You agree that, as to any item where we have no opportunity to examine the signatures, such as an electronic check conversion transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation, you waive any requirement of multiple signatures for withdrawal. We may charge your account for a check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount, and payee of the item. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees. If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. For those accounts for which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

Notice of withdrawal - We reserve the right to require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit or demand deposit, or from any other savings account as defined by Regulation D. (The law requires us to reserve this right, but it is not our general policy to use it.) Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

A temporary debit authorization hold affects your account balance - On debit card purchases, merchants may request a temporary hold on your account for a specified sum of money, which may be more than the actual amount of your purchase. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase, but it may be up to three days before the adjustment is made. Until the adjustment is made, the amount of funds in your account available for other transactions will be reduced by the amount of the temporary hold. If another transaction is presented for payment in an amount greater than the funds left after the deduction of the temporary hold amount, that transaction will be a non-sufficient funds (NSF) transaction if we do not pay it or an overdraft transaction if we do pay it. You will be charged an NSF or overdraft fee according to our NSF or overdraft fee policy. You will be charged the fee even if you would have had sufficient funds in your account if the amount of the hold had been equal to the amount of your purchase.

Here is an example of how this can occur - assume for this example the following: (1) you have opted-in to our overdraft services for the payment of overdrafts on A TM and everyday debit card transactions, (2) we pay the overdraft, and (3) our overdraft fee is charged per overdraft, but we do not charge the overdraft fee if the transaction overdraws the account by less than \$10.

You have \$120 in your account. You swipe your card at the card reader on a gasoline pump. Since it is unclear what the final bill will be, the gas station's processing system immediately requests a hold on your account in a specified amount, for example, \$80. Our processing system authorizes a temporary hold on your account in the amount of \$80, and the gas station's processing system authorizes you to begin pumping gas. You fill your tank and the amount of gasoline you purchased is only \$50. Our processing system shows that you have \$40 in your account available for other transactions ($\$120 - \$80 = \$40$) even though you would have \$70 in your account available for other transactions if the amount of the temporary hold was equal to the amount of your purchase ($\$120 - \$50 = \$70$). Later, another transaction you have authorized is presented for payment from your account in the amount of \$60 (this could be a check you have written, another debit card transaction, an ACH debit or any other kind of payment request). This other transaction is presented before the amount of the temporary hold is adjusted to the amount of your purchase (remember, it may take up to three days for the adjustment to be made). Because the amount of this other transaction is greater than the amount our processing system shows is available in your account, our payment of this transaction

will result in an overdraft transaction. Because the transaction overdraws your account by \$20, your account will be assessed the overdraft fee according to our overdraft fee policy. You will be charged this fee according to our policy even though you would have had enough money in your account to cover the \$60 transaction if your account had only been debited the amount of your purchase rather than the amount of the temporary hold or if the temporary hold had already been adjusted to the actual amount of your purchase.

IN NEW HAMPSHIRE, OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. Individual Account - is an account in the name of one person.

Each of you intend that when you die, the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). The person(s) creating this account type reserve the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at anytime.

BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate

authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

STOP PAYMENTS - Unless otherwise provided, the rules in this section cover stopping payment of items, such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. Please refer to the Electronic Funds Section for more information.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. When you place your stop-payment order, we will tell you what information we need to stop payment. This information must be exact since stop-payment orders are handled by computers. If your information is not exact, your order will not be effective and we will not be responsible for failure to stop payment. If a range of checks are lost or stolen you will be required to close the account and can open a new one.

YOU MAY STOP PAYMENT ON ANY ITEM DRAWN ON YOUR ACCOUNT WHETHER YOU SIGN THE ITEM OR NOT. If your stop-payment order is given to us in writing, it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral, your stop-payment order will lapse after 14 calendar days if you do not confirm your order in writing within that time period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

TRANSFER LIMITATIONS - For savings and money market accounts, you may make up to six transfers or withdrawals by means of a preauthorized, automatic, or telephonic transfer to another account of yours or to a third party or by check, debit card, or similar order to a third party during any calendar month (or statement cycle of at least four weeks). A preauthorized transfer includes any arrangement with us to pay a third party from your account at: (i) a predetermined time, (ii) on a fixed schedule, or (iii) upon oral or written orders, including orders received through the automated clearing house (ACH). If the transfer or withdrawal is initiated in person, by mail, or at an ATM, then there is no limit on the number of payments that may be made directly to you, directly to us for amounts you owe us, or transfers to other accounts you have with us. Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

AMENDMENTS AND TERMINATION - We may change any term of this agreement. Rules governing changes in interest rates are provided separately in the Truth-in-Savings disclosure. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items to be paid from the account. Reasonable notice depends on the circumstances, and in some cases, such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

NOTICES - Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive it in time to have a reasonable opportunity to act on it. If the notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Written notice we give you is effective when it is deposited in the United States Mail with proper postage and addressed to your mailing address we have on file. Notice to any of you is notice to all of you.

STATEMENTS - It is your duty to report unauthorized signatures, alterations, and forgeries - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors - In addition to your duty to review your statements for unauthorized signatures, alterations, and forgeries, you agree to examine your statement with reasonable promptness for any other error, such as an encoding error. In addition, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing indorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours.

Errors relating to electronic fund transfers or substitute checks - For information on errors relating to electronic fund transfers (e.g., computer, debit card, or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to the disclosure entitled Substitute Checks and Your Rights that was sent with the substitute check.

ACCOUNT TRANSFER - If you attempt to transfer or assign all or a part of your account, we will not be bound by the transfer or assignment until we agree in writing to the transfer or assignment. We are not required to accept or recognize any transfer or assignment. Unless we agree otherwise in writing, any rights of a transferee or assignee will be subject to our right of setoff or prior security interest. We have no obligation to notify you or any other person before disbursing any funds from your account in accordance with what we in good faith believe to be the terms of the transfer or assignment.

DIRECT DEPOSITS - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

SETOFF - We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt any of you owe us now or in the future. If this account is owned by one or more of you as individuals, we may set off any funds in the account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

This right of setoff does not apply to this account if prohibited by law. For example, the right of setoff does not apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity, or (d) setoff is prohibited by the Military Lending Act or its implementing regulations. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of setoff.

AUTHORIZED SIGNER (INDIVIDUAL ACCOUNTS ONLY) - A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the authorized signer may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the authorized signer. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

The owner may terminate the authorization at any time, and the authorization is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the authorized signer until: (a) we have received written notice or have actual knowledge of the termination of authority, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of an authorized signer.

RESTRICTIVE LEGENDS OR INDORSEMENTS - We are not required to honor any restrictive legend or restrictive indorsement on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00." The payee's signature accompanied by the words "for deposit only" is an example of a restrictive indorsement.

PAYMENT ORDER OF ITEMS - The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. The payment order can affect the number of items overdrawn or returned unpaid and the amount of the fees you may have to pay. To assist you in managing your account, we are providing you with the following information regarding how we process those items.

Our policy is to process point-of-sale and ACH transactions first, in amount order (low to high). We process on-us items second, in amount order (low to high) We then process on-us checks, and then inclearing checks in numerical order (by check number) on the day they are processed.

If a check, item, or transaction is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item for insufficient funds (NSF). We will not charge you a fee for paying an overdraft of an A TM or everyday debit card transaction if this is a consumer account and you have not opted-in to that service. The amounts of the overdraft and NSF fees are disclosed elsewhere, as are your rights to opt in to overdraft services for A TM and everyday debit card transactions, if applicable. We encourage you to make careful records and practice good account management. This will help you to avoid creating items without sufficient funds and potentially incurring the resulting fees.

FACSIMILE SIGNATURES - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose.

CHECK PROCESSING - We process items mechanically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed, and indorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have exercised ordinary care if our automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of indorsements, unless you notify us in writing that the check requires multiple indorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number, and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft, or other instrument written on your account. We may also require reasonable identification to cash such a check, draft, or other instrument. We can decide what identification is reasonable under the circumstances.

INDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to any one of you. We may supply any missing indorsement(s) for any item we accept for deposit or collection, and you warrant that all indorsements are genuine.

DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate official) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

FIDUCIARY ACCOUNTS - Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. We are not responsible for the actions of a fiduciary, including the misuse of funds. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an account, we are not acting in the capacity of a trustee in connection with the trust, nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

SECURITY - It is your responsibility to protect the account number(s) and access device(s) (e.g., an ATM card, point-of-sale card and/or PIN) for your account(s). Do not discuss, compare, or share information about your account number(s) or access device(s) with anyone. Checks and electronic withdrawals are processed by automated methods, and anyone who obtains your account number or access device could use it to withdraw money from your account, with or without your permission.

Account numbers - Thieves can encode your account number on a check which looks and functions like an authorized check and can be used to withdraw money from your account. Your account number can also be used to issue a "remotely created check." Like a typical check, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a draft or check that can be used to withdraw money from your account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). If you have truly authorized the remotely created check (to purchase a service or merchandise, for example), it is properly payable. But it can be risky to authorize a

remotely created check. A swindler could issue a remotely created check in an amount greater than you authorized, or issue additional remotely created checks that you have not authorized. We will not know if the withdrawal is unauthorized or in an amount greater than the amount you have authorized. Payment can be made from your account even though you did not contact us directly and order the payment.

Access devices - If you furnish your access device and grant actual authority to make transfers to someone who then exceeds that authority, you will be liable for the transfers unless we have been notified that transfers by that person are no longer authorized. Please review the additional information you have received or will receive regarding transfers by access device.

Blank checks - You must also take precautions in safeguarding your blank checks. Notify us at once if you think your blank checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself, or share the loss with us if we failed to use ordinary care, which substantially contributes to the loss.

TELEPHONIC INSTRUCTIONS - Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission or leave by voice mail or on a telephone answering machine.

MONITORING AND RECORDING TELEPHONE CALLS AND CONSENT TO RECEIVE COMMUNICATIONS - We may monitor or record phone calls for security reasons, to maintain a record and to ensure that you receive courteous and efficient service. You consent in advance to any such recording. We need not remind you of our recording before each phone conversation. To provide you with the best possible service in our ongoing business relationship for your account, we may need to contact you about your account from time to time by telephone, text messaging or email. However, we must first obtain your consent to contact you about your account because we must comply with the consumer protection provisions in the federal Telephone Consumer Protection Act of 1991 (TCPA), CAN-SPAM Act, and their related federal regulations and orders issued by the Federal Communications Commission (FCC).

- Your consent is limited to this account, and as authorized by applicable law and regulations.
- Your consent does not authorize us to contact you for telemarketing purposes (unless you otherwise agreed elsewhere).

With the above understandings, you authorize us to contact you regarding this account throughout its existence using any telephone numbers or email addresses that you have previously provided to us or that you may subsequently provide to us.

If necessary, you may change or remove any of the telephone numbers or email addresses at any time using any reasonable means to notify us.

CLAIM OF LOSS - If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

EARLY WITHDRAWAL PENALTIES (AND INVOLUNTARY WITHDRAWALS) - We may impose early withdrawal penalties on a withdrawal from a time account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by our setoff against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your notice of penalty for early withdrawals for additional information.

ADDRESS OR NAME CHANGES - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

RESOLVING ACCOUNT DISPUTES - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest, (2) others claiming an interest as survivors or beneficiaries of your account, or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.

WAIVER OF NOTICES - To the extent permitted by law, you waive any notice of non-payment, dishonor, or protest regarding any items credited to or charged against your account. For example, if you deposit a check and it is returned unpaid or we receive a notice of nonpayment, we do not have to notify you unless required by federal Regulation CC or other law.

ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution, or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person, or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by ACH. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

COMPLAINT RESOLUTION PROCEDURE - If you have a dispute with us regarding your deposit account, contact our consumer complaint representative or department and attempt to resolve the problem directly. If we fail to resolve the problem, communicate the problem and the resolution you are seeking to:

Federal Deposit Insurance Corporation, Consumer Response Center
1100 Walnut St., Box #11, Kansas City, MO 64106
Telephone: 800-378-9581 or 800-925-4618 TTY or
Online at www.fdic.gov/consumers/assistance/index.html

PLEDGES - Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

POWER OF ATTORNEY - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not "durable," it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

STALE-DATED CHECKS - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

FDIC INSURANCE - Funds in your account(s) with us are insured by the Federal Deposit Insurance Corporation (FDIC) and backed by the full faith and credit of the United States. The amount of insurance coverage you have depends on the number of accounts you have with us that are of different "ownership." An individual account is one unique form of "ownership"; a joint account, a pay-on-death account, and a self-directed qualified retirement account (e.g., an IRA) are examples of some of the others. Deposit insurance for a person's self-directed qualified retirement account is up to \$250,000. (An IRA is a self-directed qualified retirement account, as is any account where the owner decides where and how to invest the balance.) Funds are insured to \$250,000 per depositor for the total of funds combined in all of your other insured accounts with us. If you want a more detailed explanation or additional information, you may ask us or contact the FDIC. You can also visit the FDIC website at www.fdic.gov and click on the Deposit Insurance link. The link includes detailed contact information as well as a deposit insurance estimator.

UNCLAIMED PROPERTY - The law establishes procedures under which unclaimed property must be surrendered to the state. (We may have our own rules regarding dormant accounts, and if we charge a fee for dormant accounts, it will be disclosed to you elsewhere.) Generally, the funds in your account are considered unclaimed if you have not had any activity or communication with us regarding your account over a period of years. Ask us if you want further information about the period of time or type of activity that will prevent your account from being unclaimed. If your funds are surrendered to the state, you may be able to reclaim them, but your claim must be presented to the state. Once your funds are surrendered, we no longer have any liability or responsibility with respect to the funds.

UTMA ACCOUNTS - Under the Uniform Transfers to Minors Act, the funds in the account are owned by the child. The account may be accessed only by the custodian (or successor custodian), and the funds must be used for the benefit of the child. We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the custodian (or successor custodian) are for the child's benefit. We are not responsible to monitor age or eligibility for an UTMA account, even though our records may include the minor's date of birth. It is the custodian's responsibility to properly distribute the funds in the account upon the minor's death or attainment of the age of majority. For this type of account, the child's SSN/TIN is used for the Backup Withholding Certification.

CASH TRANSACTION REPORTING - To help law enforcement agencies detect illegal activities, the law requires all financial institutions to gather and report information on some types of cash transactions. If the information we need to complete the report is not

provided, we are required to refuse to handle the transaction. If you have any questions regarding these rules, please contact your local Internal Revenue Service office.

BACKUP WITHHOLDING/TIN CERTIFICATION - Federal tax law requires us to report interest payments we make to you of \$10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

LOST, DESTROYED, OR STOLEN CASHIER'S OR TELLER'S CHECKS - Under some circumstances, you may be able to assert a claim for the amount of a lost, destroyed, or stolen cashier's or teller's check. To assert the claim: (a) you must be the remitter or payee of the check, (b) we must receive notice from you describing the check with reasonable certainty and asking for payment of the amount of the check, (c) we must receive the notice in time for us to have a reasonable opportunity to act on it, and (d) you must give us a declaration (in a form we require) of your loss with respect to the check. You can ask us for a declaration form. Even if all of these conditions are met, your claim may not be immediately enforceable. We may pay the check until the ninetieth day after the date of the check. Therefore, your claim is not enforceable until the ninetieth day after the date of the check, and the conditions listed above have been met. If we have not already paid the check, on the day your claim is enforceable we become obligated to pay you the amount of the check. We will pay you with a cashier's check.

At our option, we may pay you the amount of the check before your claim becomes enforceable. However, we will require you to agree to indemnify us for any losses we might suffer. This means that if the check is presented after we pay your claim, and we pay the check, you are responsible to cover our losses. We may require you to provide a surety bond to assure that you can pay us if we suffer a loss.

CHANGING ACCOUNT PRODUCTS - We may change your account to another product offered by us at any time by giving you notice that your account will be changed to another product on a specified date. If your account is a time account, the change will not occur before the next maturity date of your account. If you do not close your account before the date specified in the notice, we may change your account to that other product on the date specified in the notice.

TRANSACTIONS BY MAIL - You may deposit checks by mail. You should indorse the check being sent through the mail with the words "For Deposit Only" and should include your correct account number underneath to ensure the check is credited to the correct account. You should use the pre-encoded checking deposit slips found behind your checks in your checkbook. If you do not use your deposit slip or provide us with instructions indicating how or where the check should be credited, we may apply it to any account or any loan balance you have with us or we may return the check to you. Receipts for such transactions will be mailed to you only if a self-addressed stamped envelope is provided. Following your deposit, examine your statement carefully or call us to ensure that we received the item. Do not send cash through the mail for deposit.

CHECK STORAGE AND COPIES - You agree that you will not receive your canceled checks. We will store your canceled checks or copies of them for a reasonable retention period. You may request copies from us in the manner we require.

TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - Through Mobile Banking Deposit or Remote Deposit Capture, if you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

REMOTELY CREATED CHECKS - Like any standard check or draft, a remotely created check (some- times called a telecheck, preauthorized draft, or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check, (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask, and (3) if a check is returned, you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

ADMINISTRATION OF CHECKING ACCOUNT - We have organized your checking account in a non-traditional way. Your checking account consists of two subaccounts. One of these is a transaction subaccount (e.g., a checking subaccount). You will transact business on this subaccount. The other is a nontransaction subaccount (e.g., a savings subaccount). You cannot directly access the nontransaction subaccount, but you agree that we may automatically, and without a specific request from you, initiate individual transfers of funds between subaccounts from time to time at no cost to you. This account organization will not change the amount of federal deposit insurance available to you, your available balance, the information on your periodic statements, or the interest calculation, if this is an interest-bearing account. You will not see any difference between the way your checking account operates and the way a traditionally organized checking account operates, but this organization makes us more efficient and helps to keep costs down.

HEALTH SAVINGS ACCOUNTS (HSA) - For your convenience, we permit you to take distributions from your HSA by check. This feature can raise a variety of tax concerns - for example getting additional cash back on an HSA checking transaction. As a result, if you have more than one account with us, it is a good practice to make sure you are using the appropriate checkbook for the transaction. Also, it is your responsibility to ensure your distributions and other actions related to the HSA comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA. The terms of this agreement are intended to work in conjunction with the HSA Agreement provided to you at Account Opening. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA, nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

INTERNATIONAL ACH TRANSACTIONS- Financial institutions are required by law to scrutinize or verify any international ACH transaction (IAT) that they receive against the Specially Designated Nationals (SDN) list of the Office of Foreign Assets Control (OFAC). This action may, from time to time, cause us to temporarily suspend processing of an IAT and potentially affect the settlement and/or availability of such payments.

FUNDS TRANSFERS (WIRES) – The terms used in this section have the meaning given to them in Article 4A of the Uniform Commercial Code – Funds Transfers (UCC 4A) as adopted in the state in which you have your deposit with us. This section will generally not apply to you if you are a consumer. Even if you are a consumer this section will apply to that part of any funds transfer that is conducted by FedWire.

FUNDS TRANSFER - A funds transfer is the transaction or series of transactions that begin with the originator's payment order, made for the purpose of making payment to the beneficiary of the order. A funds transfer is completed by the acceptance by the beneficiary's bank of a payment order for the benefit of the beneficiary of the originator's order. You may give us a payment order orally, electronically, or in writing, but your order cannot state any condition to payment to the beneficiary other than the time of payment.

ACH FUNDS TRANSFER - This section is subject to UCC 4A as adopted in the state in which you have your deposit with us. This agreement is also subject to all clearing house association rules, rules of the Board of Governors of the Federal Reserve System and their operating circulars. If any part of this agreement is determined to be unenforceable, the rest of the agreement remains effective. This agreement controls funds transfers unless supplemented or amended in a separate written agreement signed by us. This agreement does not apply to a funds transfer if any part of the transfer is governed by the Electronic Fund Transfer Act of 1978 (EFTA), except this agreement does apply to a funds transfer that is a remittance transfer as defined in EFTA unless the remittance transfer is an electronic fund transfer as defined in EFTA.

Authorized account - An authorized account is a deposit account you have with us that you have designated as a source of payment for payment orders you issue to us. If you have not designated an authorized account, any account you have with us is an authorized account to the extent that payment of the payment order is not inconsistent with the use of the account.

Acceptance of your payment order - We are not obligated to accept any payment order that you give us, although we normally will accept your payment order if you have a withdrawable credit in an authorized account sufficient to cover the order. If we do not execute your payment order, but give you notice of our rejection of your payment order after the execution date or give you no notice, we are not liable to pay you as restitution any interest on a withdrawable credit in a non-interest-bearing account.

Cutoff time – If we do not receive your payment order or communication canceling or amending a payment order before 5:00 pm on a funds transfer day for that type of order or communication, the order or communication will be deemed to be received at the opening of our next funds transfer business day.

Payment of your order - If we accept a payment order you give us, we may receive payment by automatically deducting from any authorized account the amount of the payment order plus the amount of any expenses and charges for our services in execution of your

payment order. We are entitled to payment on the payment or execution date. Unless your payment order specifies otherwise, the payment or execution date is the funds transfer date we receive the payment order. The funds transfer is completed upon acceptance by the beneficiary's bank. Your obligation to pay your payment order is excused if the funds transfer is not completed, but you are still responsible to pay us any expenses and charges for our services. However, if you told us to route the funds transfer through an intermediate bank, and we are unable to obtain a refund because the intermediate bank that you designated has suspended payments, then you are still obligated to pay us for the payment order. You will not be entitled to interest on any refund you receive because the beneficiary's bank does not accept the payment order.

Security procedure - As described more fully in a separate writing, the authenticity of a payment order or communication canceling or amending a payment order issued in your name as sender may be verified by a security procedure. You affirm that you have no circumstances which are relevant to the determination of a commercially reasonable security procedure unless those circumstances are expressly contained in a separate writing signed by us. You may choose from one or more security procedures that we have developed, or you may develop your own security procedure if it is acceptable to us. If you refuse a commercially reasonable security procedure that we have offered you, you agree that you will be bound by any payment order issued in your name, whether or not authorized, that we accept in good faith and in compliance with the security procedure you have chosen.

Duty to report unauthorized or erroneous payment - You must exercise ordinary care to determine that all payment orders or amendments to payment orders that we accept that are issued in your name are authorized, enforceable, in the correct amount, to the correct beneficiary, and not otherwise erroneous. If you discover (or with reasonable care should have discovered) an unauthorized, unenforceable, or erroneously executed payment order or amendment, you must exercise ordinary care to notify us of the relevant facts. The time you have to notify us will depend on the circumstances, but that time will not in any circumstance exceed 14 days from when you are notified of our acceptance or execution of the payment order or amendment or that your account was debited with respect to the order or amendment. If you do not provide us with timely notice, you will not be entitled to interest on any refundable amount. If we can prove that you failed to perform either of these duties with respect to an erroneous payment and that we incurred a loss as a result of the failure, you are liable to us for the amount of the loss not exceeding the amount of your order.

Identifying number - If your payment order identifies an intermediate bank, beneficiary bank, or beneficiary by name and number, we and every receiving or beneficiary bank may rely upon the identifying number rather than the name to make payment, even if the number identifies an intermediate bank or person different than the bank or beneficiary identified by name. Neither we nor any receiving or beneficiary bank have any responsibility to determine whether the name and identifying number refer to the same financial institution or person.

Record of oral or telephone orders - You agree that we may, if we choose, record any oral or telephone payment order or communication of amendment or cancellation.

Notice of credit - If we receive a payment order to credit an account you have with us, we are not required to provide you with any notice of the payment order or the credit.

Provisional credit - You agree to be bound by the automated clearing house association operating rules that provide that payments made to you or originated by you by funds transfer through the automated clearing house system are provisional until final settlement is made through a Federal Reserve Bank or otherwise payment is made as provided in Article 4A-403(a) of the Uniform Commercial Code.

Refund of credit - You agree that if we do not receive payment of an amount credited to your account, we are entitled to a refund from you in the amount credited and the party originating such payment will not be considered to have paid the amount so credited.

Amendment of funds transfer agreement - From time to time we may amend any term of this agreement by giving you reasonable notice in writing. We may give notice to anyone who is authorized to send payment orders to us in your name, or to anyone who is authorized to accept service.

Cancellation or amendment of payment order - You may cancel or amend a payment order you give us only if we receive the communication of cancellation or amendment before 5:00 pm and in time to have a reasonable opportunity to act on it before we accept the payment order. The communication of cancellation or amendment must be presented in conformity with the same security procedure that has been agreed to for payment orders.

Intermediaries - We are not liable for the actions of any intermediary, regardless of whether or not we selected the intermediary. We are not responsible for acts of God, outside agencies, or nonsalaried agents.

Limit on liability - You waive any claim you may have against us for consequential or special damages, including loss of profit arising out of a payment order or funds transfer, unless this waiver is prohibited by law. We are not responsible for attorney fees you might incur due to erroneous execution of payment order.

Erroneous execution - If we receive an order to pay you, and we erroneously pay you more than the amount of the payment order, we are entitled to recover from you the amount in excess of the amount of the payment order, regardless of whether you may have some claim to the excess amount against the originator of the order.

Objection to payment - If we give you a notice that reasonably identifies a payment order issued in your name as sender that we have accepted and received payment for, you cannot claim that we are not entitled to retain the payment unless you notify us of your objection to the payment within one year of our notice to you.

RULES APPLICABLE TO ALL INTEREST-PAYING CHECKING ACCOUNTS

Your interest-paying checking account will consist of a master deposit account ("master account"), which will consist of two sub-accounts, a transaction account and a non-transaction account. Interest will be paid on the collected balance in both sub-accounts, at the applicable account type rate of interest. The Bank will monitor the activity of the transaction account and transfer funds as needed from the non-transaction account.

II FUNDS AVAILABILITY YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to all deposit accounts.

Our policy is to make funds from your check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit (see Same Day Availability). Once the funds are available, you can withdraw them in cash and use your debit card for purchases and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. The length of delay is counted in business days from the day of your deposit.

- If you make a deposit on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a day we are not open, or for reasons outside of our control; such as an interruption of communications; or computer or other equipment facilities; a suspension of payments by another bank; a war; or an emergency condition beyond the control of the bank, we will consider that the deposit was made on the next business day we are open.
- If you mail your deposit it will be considered deposited on the day we receive it.
- If you place your deposit in a branch night depository before 7:00 am, the deposit will be processed on that business day.
- Deposits made at a Bar Harbor Bank & Trust, a division of Bar Harbor Bank & Trust ATM after 6:00 pm will be considered transacted on the next business day.
- Deposits made via Mobile Deposit after 5:00 pm are considered transacted on the next business day.
- Transfers processed through online banking after 7:00 pm are considered transacted on the next business day.

The length of the delay in availability varies depending on the type of deposit as explained below.

Same Day Availability - Funds from the following deposits are available for the payment of checks, debit card purchases and for cash withdrawal on the same business day we receive the deposit:

- Cash deposits made to a bank teller.
- Electronic direct deposit payments, such as Social Security benefits and automatic payroll deposits.
- Funds from ACH transactions.
- Funds from wire transfers.
- ATM deposits - the first \$200 will be immediately available.

Funds from the deposit of checks drawn off Foreign Banks (other than Canadian Banks) are accepted for collection with availability based on final payment from the paying Bank.

LONGER DELAYS MAY APPLY

Case-by-case delays. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. The funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, will be available on the first business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts - If you are a new customer, the following special rules may apply during the first 30 days your account is open.

- Funds from electronic direct deposits to your account will be available on the day requested by the sender.
- Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the seventh business day after the day of your deposit.

Holds on Other Funds (Check Cashing) – If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

III ELECTRONIC FUND TRANSFER: YOUR RIGHTS AND RESPONSIBILITIES

The Electronic Fund Transfers we are capable of handling for consumers are indicated below, some of which may not apply to your account. Some of these may not be available at all terminals. Please read this disclosure carefully because it tells you your rights and obligations for these transactions. You should keep this notice for future reference.

Personal Identification Number (PIN) - The PIN we provide to you will be your "remote banking signature." You must maintain its confidentiality. The PIN should be memorized to prevent unauthorized use.

Authorized Use - Only you are authorized to deposit or withdraw funds to or from your account with your card, your online banking access, telephone banking or mobile banking.

Cancellation - Your card is our property and surrender of your card may be required at any time without notice or cause.

UNAUTHORIZED TRANSFERS

CONSUMER LIABILITY - Tell us at once if you believe your ATM card, debit card or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

If you tell us within 2 business days after you learn of the loss or theft of your card or PIN, you can lose no more than \$50 if someone used your ATM card, debit card or PIN without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your ATM card, debit card or PIN, and we can prove we could have stopped someone from using your ATM card, debit card or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If extenuating circumstances (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods specified above to a reasonable period.

Additional Limits on Liability - Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Debit Card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Mastercard or Plus networks, or to transactions using your Personal Identification Number which are not processed by Mastercard. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated.

ERROR RESOLUTION NOTICE

- In Case of Errors or Questions About Your Electronic Transfers, contact us at the telephone number or address listed at the end of this section, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt.

We must hear from you no later than sixty (60) calendar days after we sent the FIRST statement on which the problem or error appeared or if the only transfer possible is a direct deposit to your account, no later than sixty (60) calendar days after the problem or error was FIRST reflected in your statement.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (five (5) business days if involving a point-of-sale transaction processed by Mastercard or twenty (20) business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) business days (five (5) business days if involving a point-of-sale transaction processed by Mastercard or twenty (20) business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

An account is considered a new account for the first thirty (30) days after the first deposit is made, if you are a new customer.

The bank will tell you the results within three (3) business days after completing our investigation. If the Bank determines that there was no error, we will send you written explanation and will reverse any provisional credit you may have received. You may ask for copies of the documents that we used in our investigation.

CONTACT IN EVENT OF UNAUTHORIZED TRANSFER - If you believe your A TM card, debit card or PIN has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, contact us. You should also call the number or write to the address listed at the end of this disclosure if you believe a transfer has been made using the information from your check without your permission.

BUSINESS DAYS - For the purpose of this agreement, our business days are Monday through Friday, excluding recognized state and federal holidays.

These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearinghouse (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic funds transfers. - **ATM Transactions:** The Card may be used to (a) withdraw funds from, (b) make deposits (at one of our ATMs) to, (c) transfer funds between, or (d) check balances of your Designated Account(s) at ATM's displaying the networks noted on the back of your card.
- **POS Transactions:** You may also use your card at Point of Sale (POS) locations (supermarkets, gas stations, convenience stores, etc.) to electronically pay for purchases.
- **Dollar and Frequency Limits:** You agree that each card has the following daily Transaction limits:

Transaction Type	Daily Limits
ATM Withdrawal	Account Available Balance or \$505, whichever is less.
POS Transaction and Preauthorized Transaction	Account Available Balance or \$2,500, whichever is less.

Advisory Against Illegal Use - You agree the Card will not be used for illegal gambling or any other illegal purpose. Display of the Mastercard® or other payment card logo by an online merchant does not necessarily mean that Transactions are lawful in all jurisdictions in which the Cardholder may be located.

Documentation of Transactions - You can receive a copy of ATM and POS Transaction receipts at the time the Transaction is originated. You will also receive, on a monthly basis, a statement including the Transactions made on your Designated Accounts.

Retain Copies for Your Records - You should retain copies of all records including receipts and credit slips (for returned merchandise). You should also mark each transaction in your account record (but not while at a terminal). You should review your periodic statement for accuracy and compare your account record against your periodic statement to reconcile balances.

Stop Payment - You do not have the right to place a stop payment on any ATM or POS Transaction resulting from the use of your Card; therefore, you should not employ electronic access for purchases or services unless you are satisfied that you will not need to stop payment.

Use of Your Card Outside of the Unites States - We monitor your accounts for signs of potential fraud, which could include the use of your Card in a manner that is out of the ordinary. If you are planning on using your Card in a foreign country, please let us know in advance. Otherwise, it is possible that your Card Transaction initiated in a foreign country may be delayed or declined.

Account Information Disclosure - We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- To comply with government agency or court orders; or
- If you give us your written permission.

Fees

Charge for ATM Transactions made at Non-Bar Harbor Bank & Trust ATMs - We will assess you an Automated Teller Machine (ATM) fee each time you conduct an ATM Transaction (including balance inquiries) at non-Bar Harbor Bank & Trust ATM's, excluding Maine Cash Access ATMs. To view a list of Maine Banks that participate in Maine Cash Access visit <https://www.mainecash.com>. Please refer to our Deposit Accounts Fee schedule for the current amount of this fee. The owner or operator of such an ATM may also assess you a fee for use of the ATM (including balance inquiries).

Currency Conversion - If you effect a Transaction with your Card in a currency other than US Dollars, an exchange rate in effect at the time the Transaction is processed will be charged.

Other Fees - Please refer to our Deposit Accounts Fee Schedule for additional information on fees.

Overdrafts - An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway.

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transactions. If we do not authorize to pay an overdraft, your transaction will be declined.

Error Resolution Notice - In case of errors or questions about your electronic transfers, contact Card Dispute services at the numbers listed at the bottom of this agreement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) calendar days after we sent you the FIRST statement on which the problem or error appeared or, if the only transfer possible is a direct deposit to your account, no later than sixty (60) calendar days after the problem or error was FIRST reflected in your statement.

- Tell us your name and account number
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error
- If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (and twenty (20) business days if the transfer involved a new account) after we hear from you, and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) calendar days (ninety (90) calendar days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question.

If we decide to do this, we will provisionally credit your account within ten (10) business days (twenty (20) business days if the transfer involved a new account) for the amount you think is in error so you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. Your account is considered a new account for the first thirty (30) calendar days after the first deposit is made.

We will tell you the results within three (3) business days after completing our investigation. If we decide there was no error, we will send you a written explanation, and will debit the provisionally credited amount from your account. You may ask for copies of the documents we used in our investigation.

Our Liability for Failing to Complete a Transfer - We will not be liable if:

- You do not have enough money in your account to make the transfer
- An ATM does not have sufficient cash
- A terminal or system is not working properly and you knew about the breakdown when you started the transfer
- Circumstances beyond our control (such as fire or flood) prevent the transfer
- A merchant refuses to accept your Card
- An ATM reflects your Card
- If the funds are subject to legal process or other encumbrance restricting such transfer.

There may be other limitations on our liability.

Consequential Damages - We will not be liable for any consequential or incidental damages resulting from the unauthorized use of your Card.

Disclaimer of Liability - We expressly disclaim all warranties that the ATM's displaying the networks noted on the back of your card, shall function properly or be available for use.

Consumer Liability for Unauthorized Card Transactions - Tell us AT ONCE if you believe your Card or PIN has been LOST or STOLEN, or if you believe that an electronic funds transfer has been made without your permission using information from your card. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

If you tell us within TWO (2) business days after you learn of the loss or theft of your Card or PIN, you can lose no more than FIFTY DOLLARS (\$50) if someone uses your Card at an ATM without your permission.

If you do not tell us within TWO (2) business days after you learn of the loss or theft of your Card or PIN, and we can prove that we could have stopped someone from using your card at an ATM without your permission if you had told US, you could lose as much as FIVE HUNDRED DOLLARS (\$500).

Also, if your statement shows transfers you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within SIXTY (60) calendar days after the statement was mailed to you, you may not get back any money you lost if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

We are liable only for losses in excess of the limits stated.

Evidence - If we go to court for any reason, we can use a copy, microfilm, or microfiche of any document to prove what you owe or that a transaction has taken place, and the copy or digital reproduction will have the same validity as the original.

VI CONSUMER DEBIT CARD AGREEMENT

Introduction - This Consumer Debit Card Agreement contains contract terms and other important information relating to your Debit Card. These terms govern the operation of this account unless varied or supplemented in writing. This Agreement also incorporates any other terms and conditions provided separately with your deposit account agreement as well as the term of any disclosures you may have received. You should read this Agreement carefully and keep a copy for your records.

Applicable Law - This Agreement will be governed by the laws of the State where you opened your account, as well as federal laws and regulations. Normal banking customs and practices also apply.

Definitions - Unless inconsistent, words and phrases used in this document shall be construed so that the singular includes the plural and the plural includes the singular. The words "we," "our," and "us" refer to Bar Harbor Bank & Trust, which issues the Card. The words "you" and "your" refer to the owner of the specific account for which Card transactions are permitted. The term "Designated Account(s)" means those checking and/or savings account(s) that you indicated on the Card Application should be accessible for the Card Transactions indicated in this Agreement. The term "Primary Account" means the checking account that you have indicated on the Card Application should be debited for POS Transactions.

Personal Identification number (PIN) - When you receive your card there will be an activation sticker that includes the number for the Interactive Voice Response Unit (IVR) 1-800-448-8268. When calling the IVR you will be prompted to validate your identity and will then choose a PIN. You are responsible for maintaining the confidentiality of the PIN. The PIN should be memorized and not written in order to prevent unauthorized use. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and we suffer a loss, we may terminate your access to card services immediately. We employ security systems that may limit the use of your card in circumstances where possible fraud or other problems are detected.

Consumer Debit Card Requests - By requesting a card be issued to you and/or others authorized by your account agreement, you hereby agree to the rules and regulations affecting the issuance of the Bar Harbor Bank & Trust Debit Card that is provided for your convenience to enable access to funds available in your accounts.

Joint Accounts - Each party to a joint checking or savings account may request a Debit Card. If any of your accounts accessed under this agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this agreement and, alone and together, shall be responsible for all EFT transactions to or from any checking, savings, or loan accounts, or other account designated or as provided in this agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and we may accept orders and instructions regarding the EFT transaction on any account from any joint account owner.

We Own the Card; Cancellation - Each Card that we issue to you remains our property and we may require immediate surrender of it at any time. We may cancel the Card at any time without notice or cause. Any cancellation or termination shall not affect any of your existing liability to us. You may terminate this Agreement by written notice to us. If you terminate this Agreement, you must immediately return to us all Cards that we have issued to you. The Card is not transferable. For your protection, machines are programmed to retain Cards in certain circumstances.

Amendment - You agree that the terms and conditions of this Agreement, including the dollar limitations on use of a card, may be amended by us at any time. We will notify you of amendments as required by applicable law. We may make amendments to this Agreement in the same method as provided in the terms and conditions provided in your account agreement. Use of your card after receipt of notice of an amendment constitutes your acceptance of the change.

Card Transaction Types - You understand that the Card can be used to make the following Transactions (each, unless otherwise specified, a "Transaction"):

- ATM Transactions: The Card may be used to (a) withdraw funds from, (b) make deposits (at one of our ATMs) to, (c) transfer funds between, or (d) check balances of your Designated Account(s) at ATM's displaying the networks noted on the back of your card.
- POS Transactions: The Card may be used to purchase goods or services from a third party merchant that accepts Mastercard® debit cards ("POS Transaction"). You may also get "cash back" from participating third party merchants. All such POS Transactions will debit the Primary Account indicated on your Card Application.
- Preauthorized Payments: You may arrange to have preauthorized payments made from your Designated Accounts to a third party.
- Dollar and Frequency Limits: You agree that each card has the following daily Transaction limits:

Transaction Type	Daily Limits
ATM Withdrawal	Account Available Balance or \$505, whichever is less.
POS Transaction and Preauthorized Transaction	Account Available Balance or \$2,500, whichever is less.

Advisory Against Illegal Use - You agree the Card will not be used for illegal gambling or any other illegal purpose. Display of the Mastercard or other payment card logo by an online merchant does not necessarily mean that Transactions are lawful in all jurisdictions in which the Cardholder may be located.

Documentation of Transactions - You can receive a copy of ATM and POS Transaction receipts at the time the Transaction is originated. You will also receive, on a monthly basis, a statement including the Transactions made on your Designated Accounts.

Retain Copies for Your Records - You should retain copies of all records including receipts and credit slips (for returned merchandise), and cancellation numbers (for cancelled reservations). You should also mark each transaction in your account record (but not while at a terminal). You should review your periodic statement for accuracy and compare your account record against your periodic statement to reconcile balances.

Stop Payment - You do not have the right to place a stop payment on any ATM or POS Transaction resulting from the use of your Card; therefore, you should not employ electronic access for purchases or services unless you are satisfied that you will not need to stop payment.

Cardholders are provided a right to stop payment on any of a series of pre-authorized (recurring) transfers from the consumer's account. This right applies until the third business day before the settlement date of the transfer.

Use of Your Card Outside of the United States - We monitor your accounts for signs of potential fraud, which could include the use of your Card in a manner that is out of the ordinary. If you are planning on using your Card in a foreign country, please let us know in advance. Otherwise, it is possible that your Card Transaction initiated in a foreign country may be delayed or declined.

Account Information Disclosure - We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- To comply with government agency or court orders; or
- If you give us your written permission.

Charge for ATM Transactions made at Non-Bar Harbor Bank & Trust ATMs - We will assess you an Automated Teller Machine (ATM) fee each time you conduct an ATM Transaction (including balance inquiries) at non-Bar Harbor Bank & Trust ATM's, excluding Maine Cash Access ATMs. To view a list of Maine Banks that participate in Maine Cash Access visit <https://www.maineecash.com>. Please refer to our Deposit Accounts Fee schedule for the current amount of this fee. The owner or operator of such an ATM may also assess you a fee for use of the ATM (including balance inquiries).

Currency Conversion - If you effect a Transaction with your Card in a currency other than US Dollars, Mastercard will convert the charge into a US Dollar amount using procedures established by Mastercard, based on the exchange rate in effect at the time the Transaction is processed. The exchange rate is a rate selected by Mastercard from the range of rates available in wholesale current markets for the applicable Central Processing Date (which rate may vary from the rate Mastercard itself receives) or the government-mandated rate in effect for the applicable Central Processing Date. The rates in effect on the Central Processing Date may vary from the rate in effect on the date of your Transaction or the date on which it posts to your Designated Account.

Foreign Transaction Fee - We may assess you a Foreign Transaction fee for each Transaction made outside of the United States. The amount of this fee will be an amount less than or equal to 1.1% of the amount of your Transaction in US Dollars.

Other Fees - Please refer to our Deposit Accounts Fee Schedule for additional information on fees.

Overdrafts - An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways. We offer overdraft protection plans, such as a link to another deposit account, or a line of credit, which may be less expensive than Overdraft Protection. We also offer Overdraft Protection.

Overdraft Protection

Overdraft Protection is a discretionary overdraft service requiring no action on your part that provides you a safety net up to an automatically assigned overdraft limit. Your Overdraft Protection limit may be available for checks and other transactions made using your checking account number or automatic bill payment and recurring debit card payment. Also, at your request, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases using your limit.

As long as you maintain your account in “good standing,” we may approve your overdraft items within your current available Overdraft Protection limit as a non-contractual courtesy.

For Overdraft Protection consideration, your account is in “good standing” if you (1) deposit enough money to bring your account to a positive end-of-day balance at least every 30 calendar days (including the payment of all bank fees and charges), (2) avoid excessive overdrafts, suggesting the use of Overdraft Protection as a continuing line of credit, and (3) there are no legal orders, levies, or liens against your account.

For more information on Overdraft Protection please refer to the Deposit Account Agreement.

What are the standard overdraft plans that come with my account? The following transactions types may be authorized by the Bank to pay overdrafts:

- Checks and other transactions made using your checking account number
- Automatic bill payments
- Electronic transactions originating from your use of Debit Card

We will not authorize and pay overdrafts for the following types of transactions unless you ask us to do so by signing an Overdraft Opt-In agreement with us:

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transactions. If we do not authorize to pay an overdraft, your transaction will be declined.

Error Resolution Notice - In case of errors or questions about your electronic transfers, contact Debit Card Dispute services at the numbers listed at the bottom of this agreement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) calendar days after we sent you the FIRST statement on which the problem or error appeared or, if the only transfer possible is a direct deposit to your account, no later than sixty (60) calendar days after the problem or error was FIRST reflected in your statement.

- Tell us the dollar amount of the suspected error
- If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (and twenty (20) business days if the transfer involved a new account) after we hear from you, and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) calendar days (ninety (90) calendar days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question.

If we decide to do this, we will provisionally credit your account within ten (10) business days (twenty (20) business days if the transfer involved a new account) for the amount you think is in error so you will have the use of the money during the time it takes us

to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. Your account is considered a new account for the first thirty (30) calendar days after the first deposit is made.

We will tell you the results within three (3) business days after completing our investigation. If we decide there was no error, we will send you a written explanation, and will debit the provisionally credited amount from your account. You may ask for copies of the documents we used in our investigation.

Point of Sale (POS) Services - If your card is a Mastercard debit card, you can use your card and signature to pay for purchases from merchants displaying the Mastercard symbol. Your rights relating to refunds and returned merchandise are the same as when you pay with cash or check. You must resolve issues of this type directly with the merchant. It is the merchant's own policy on refunds and returns that governs these transactions.

Our Liability for Failing to Complete a Transfer - We will not be liable if:

- You do not have enough money in your account to make the transfer
- You have an overdraft line and the transfer would cause you to exceed your credit limit
- An ATM does not have sufficient cash
- A terminal or system is not working properly and you knew about the breakdown when you started the transfer
- Circumstances beyond our control (such as fire or flood) prevent the transfer
- A merchant refuses to accept your Card
- An ATM reflects your Card
- If the funds are subject to legal process or other encumbrance restricting such transfer.

There may be other limitations on our liability.

Consequential Damages - We will not be liable for any consequential or incidental damages resulting from the unauthorized use of your Card.

Disclaimer of Liability - We expressly disclaim all warranties that the ATM's displaying the networks noted on the back of your card, shall function properly or be available for use.

Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

If you tell us within TWO (2) business days after you learn of the loss or theft of your Card or PIN, you can lose no more than FIFTY DOLLARS (\$50) if someone uses your Card at an ATM without your permission. If you tell us within two (2) business days, you can lose no more than ZERO DOLLARS (\$0) if someone uses your card for a Mastercard purchase without your permission.

If you do not tell us within TWO (2) business days after you learn of the loss or theft of your Card or PIN, and we can prove that we could have stopped someone from using your card at an ATM without your permission if you had told US, you could lose as much as FIVE HUNDRED DOLLARS (\$500). If you do NOT tell us with TWO (2) business days after you learn of the loss or theft of your card or PIN, and we can prove that we could have stopped someone from using your Card for a Mastercard purchase without your permission if you had told us, you could lose as much as FIFTY DOLLARS(\$50).

Also, if your statement shows transfers you did not make, including those made by card, code or other means, tell us at once. Bar Harbor CashBack Rewards – Cash rewards are applicable to e-Choice Checking, Preferred Checking, and Rewards Checking. You'll earn \$0.10 back on purchases of any amount including PIN and signature transactions. Purchases must be from a third party merchant that accepts debit cards. Your rewards will be credited on your monthly statement, for example, if you use your debit card 30 times to make purchases during the month you will receive a \$3.00 credit on your monthly statement. VII OVERDRAFT PROTECTION

Overdraft Protection is a discretionary overdraft service requiring no action on your part that provides you a safety net up to an automatically assigned overdraft limit. Your Overdraft Protection limit may be available for checks and other transactions made using your checking account number or automatic bill payment and recurring debit card payment. Also, at your request, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases using your limit.

As long as you maintain your account in "good standing," we may approve your overdraft items within your current available Overdraft Protection limit as a non-contractual courtesy.

For Overdraft Protection consideration, your account is in "good standing" if you (1) deposit enough money to bring your account to a positive end-of-day balance at least once every 30 calendar days (including the payment of all bank fees and charges), (2) avoid excessive overdrafts, suggesting the use of Overdraft Protection as a continuing line of credit, and (3) there are no legal orders, levies or liens against your account.

Please note that the amount of the overdraft plus our paid item overdraft fee for each item will be deducted from your overdraft limit. If the item is returned, the returned item non-sufficient funds (NSF) fee will be deducted from your account. No interest will be charged on the overdraft balance. Overdrafts above and beyond your established Overdraft Protection limit may result in checks or other items being returned to the payee. The returned item NSF fee will be charged per item and assessed to your account. An overdraft/NSF notice will be sent to notify you of items paid and/or returned.

There is no additional cost associated with this privilege unless you use it. You will be charged our paid item overdraft fee for each overdrawn item created by a traditional paper-based check, a teller withdrawal, an automatic payment (ACH) transaction, or a recurring debit card payment. Also, if you have requested us to do so, we may authorize and cover ATM transfers or withdrawals and everyday debit card purchases. Your available balance may be affected by authorizations which could create additional overdrafts and associated fees. For example, three paid items in one day will result in three paid item overdraft fees. To help you manage your account, the total fees you have paid for items (both paid and returned) during the current month and for the year-to-date will be reflected on your monthly checking statement.

The best way to avoid overdrafts and fees is to keep track of your account balance by entering all checks, debit card purchases, and ATM withdrawals in your check register, reconcile your checkbook regularly and manage your finances responsibly. However, if a mistake occurs, the Bank offers additional ways to cover overdrafts in addition to Overdraft Protection: Automatic Sweep - transfer of funds to cover the overdraft (\$5.00 per account when overdrawn); and an overdraft line of credit (interest accrues when the line of credit is accessed - please ask us about current rates).

Your Overdraft Protection limit will not be reflected in balance inquiries in automated systems.

ACCOUNT TYPE	LIMIT
Edge Account	No Overdraft Protection Offered
Simple Checking	\$500
Preferred Checking	\$800
E-Choice Checking	\$500

VIII ONLINE BANKING AND MOBILE AGREEMENT AND DISCLOSURE

This Online Banking Agreement and Disclosure (the "Agreement") is entered into between Bar Harbor Bank & Trust (the "Bank") and the customer of the Bank, who hereby subscribes to Online Banking Services ("Online Banking"). This Agreement applies to all use of the customer's accounts whether by the customer or by any other person authorized by the customer, and the customer will be responsible for all such use. The customer is sometimes referred to in the Agreement as "you" or "your" and the Bank is sometimes referred to as "we", "us", and/or "our". If you use Online Banking or permit another person to use Online Banking on your behalf, you agree to the terms and conditions stated in the Agreement.

1. SCOPE OF AGREEMENT

1.1 Other Accounts, Loan Agreements and Services. This Agreement governs online access to your accounts with the Bank. The terms and conditions set forth herein are in addition to, and do not cancel or supersede, any other agreements or signature cards governing your deposits, loans or other business relationships with the Bank. All of the terms, conditions, agreements, representations, schedules, disclosures, and fees set forth in or associated with such other agreements and signature cards remain in full force and effect. However, the persons you authorize to have access to and make transfers from your account(s) through Online Banking may not be the same persons who are authorized to sign on the account under your other agreements and signature cards with us, or you may give them greater authority to conduct activities through Online Banking than they have under your other agreements and signature cards with us. In cases where your authorizations to other persons do not coincide with your authorizations for the same account(s) under the signature card agreement(s), the signature card agreement(s) will govern Online Banking transactions.

1.2 Fees. The use of Online Banking is provided for free. Service fees may apply for the use of the Bill Payment Service, which is an optional product available through Online Banking. You authorize us to deduct any fees associated with the use of the Bill Payment Service from your primary deposit account with us. Please refer to the Terms and Conditions of the Bill Payment Service, provided separately from this Agreement. The service charges and fees provided for in your deposit, line of credit, loan, and other agreements you have with us (collectively the "Account Agreements") will apply. Please see the Account Agreement which you have with us for a listing of fees. You are also responsible for all telephone charges incurred in connection with Online Banking and for charges by any Internet service provider providing connection to the Internet.

1.3 Changes in Terms and Other Amendments. We may add, delete or amend terms, conditions and other provisions, fees, charges, or other terms described in this Agreement at any time upon at least thirty (30) days' notice to you prior to the effective date of any amendment or change. We will notify you of any such change or amendment electronically by posting such notice on our Online Services home page and, when required by applicable law, will provide you with written notice of such amendment or change at the postal address provided by you to us and/or send notice to your e-mail address as provided to us. You are bound by any such change if you use the Online Banking service after the effective date of the notice, unless you notify us in writing within ten (10) days of having received the notice that you reject these changes and close your account(s) with us.

1.4 Termination. This Agreement will remain in effect until it is terminated by you or by us. You may cancel your Online Banking services and terminate this Agreement at any time by providing us with written notice or by calling us at 1-888-853-7100. This cancellation will become effective when we receive notice from you as provided above, and applies only to your Online Banking services, and does not terminate any other agreements you may have with us. We may terminate this Agreement and your Online Banking services for any reason at any time. We will try to notify you in advance of any termination, but we are not obligated to do so. Upon termination, we reserve the right to make no further payments or transfers from your account(s) pursuant to this Agreement, including payments or transfers you have previously authorized. If you terminate your Online Banking services, you authorize the Bank to continue making transfers you have previously authorized until such time as the Bank has had a reasonable opportunity to act upon your termination notice. You agree that upon termination of your Online Banking services, either by you or by us, you will cancel all automatic or recurring transfers you have previously authorized, and that if you fail to do so, you are responsible for such payments.

2. DESCRIPTION OF AND LIMITATIONS ON ONLINE BANKING

2.1 General Description of Services. In general, the Online Banking service enables you to: - Search transaction histories and obtain balance information on your accounts with the Bank, which may include checking, savings, money market, certificates of deposit, lines of credit, installment loans, real estate loans and commercial loans. - Transfer funds between your transaction accounts. - Use bill payment services. - e-Statements. This list is not exhaustive and the Bank may offer additional or different Online Banking services in the future, all of which will be governed by this Agreement, as amended.

2.2 Types of Transfers and Limitations. You can make an internal transfer of funds from one account with the Bank to another, such as a transfer from a savings account to a checking account. Transfers may be limited in amount as provided in our Account Agreements with you governing these services or in accordance with Bank policies. In addition, your ability to transfer funds between certain accounts is limited by federal law, as stated in your deposit agreements with us. For example, you can make no more than six (6) transfers from a savings or money market account during each statement period by checks to third parties, draft, debit card, preauthorized, automatic, telephone, computer transfer or similar order. Transfers made using both Online Banking and other transfer methods described in the Deposit Agreements are counted against the permissible number of transfers. The Bank reserves the right to further limit the frequency and dollar amount of transactions from your accounts for security or credit reasons, as the Bank may determine at any time at its sole discretion.

2.3 Overdrafts; Order of Payments. It is your responsibility to ensure that you have enough money or credit available in an account from which you instruct us to make a payment or transfer. If funds are withdrawn from any of your accounts by means of electronic fund transfers, other than through Online Banking on the same business day as an Online Banking transaction, and if the account contains insufficient funds to enable both the electronic fund transfer and the Online Banking transfer to be made, the transfers will be made in the order determined by the Bank, in its sole discretion. You are fully obligated to us to provide sufficient funds for any payments or transfers you make or authorize to be made. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree to reimburse us upon our demand, and you further agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permitted by the applicable law and the terms of any other relevant Account Agreements.

2.4 Bill Payment Service. The Bill Payment Service is offered by Bar Harbor Bank & Trust through Profitstars, a subsidiary of Jack Henry & Associates, Inc. Please refer to the Terms and Conditions of the Bill Payment Service, provided separately from this Agreement.

2.5 Computer Requirements. In order to use Online Banking, you must have your own Internet service provider and the necessary computer equipment required by the browser which you select. In this Agreement, your computer and the related equipment are referred to together as your "Computer". You are responsible for the installation, maintenance, and operation of your Computer and your software.

2.6 Registration Process. In order to obtain and use Online Banking, you must complete our initial registration process. The Online Banking registration process involves completing and submitting a secure online application.

2.7 Access Code and Security. Online Banking IDs and Passwords will only be allowed for customers who have a checking, savings, money market, certificate of deposit, or loan account with us. You will be required to establish an Online Banking ID and Password upon your initial entry into the system. Thereafter, we will assign you a new Password upon your request at any time. (For example, you may want us to assign you a new Password if you have forgotten your Password). Your Password can be changed within Online Banking from the "Settings" page or by calling us at 1-888-853-7100. For security purposes, it is recommended that you memorize your Password and do not write it down. You are responsible for keeping your Password and account data confidential. You will need the Online Banking ID and Password to gain access to Online Banking. Use of the Online Banking ID and Password is the agreed security procedure between you and the Bank. You should keep your Online Banking ID and Password confidential in order to prevent unauthorized use of Online Banking and possible loss to your accounts. Anyone to whom you give or disclose your Online Banking ID and Password will have full access to your accounts, even if you attempt to limit that person's authority. You are responsible for all transactions you authorize or make using Online Banking, including any transactions that may be unintentionally or inadvertently authorized or made, and any losses, charges, or penalties incurred as a result. In addition, except as otherwise provided in this Agreement, you are responsible for transactions by unauthorized persons using your Online Banking ID and Password.

2.8 Reporting Unauthorized Transaction or Theft or Loss of Access Codes. If you believe that an unauthorized transaction has been or may be made from your account, alert the Bank immediately by calling us at 1-888-853-7100, or write to us at: Bar Harbor Bank & Trust, Attn: Electronic Banking Support, P. O. Box 1089, Ellsworth, ME 04605-1089.

2.9 No Signature Required. When using Online Banking to pay bills, you agree that the Bank, without prior notice to you, may debit any payment account(s) to pay checks that you have not signed by hand or by legally acceptable form of electronic signature. When using Online Banking to make transfers from credit accounts, you agree that the Bank, without prior notice to you, may take any action required to obtain cash advances on your behalf, including charging any credit account(s) at the Bank without your handwritten or legally acceptable electronic signature.

3. RESPONSIBILITY OF PARTIES

3.1 Privacy and Confidentiality. The importance of maintaining the confidentiality and privacy of the information provided by our customers is one of our highest priorities. You should carefully review our privacy policy as stated on our website at www.BHBT.com. Our privacy

policy is incorporated in this Agreement by reference and you hereby agree that you have read our privacy policy, understand it and agree to its terms.

3.2 Customer's Responsibilities. You are responsible for keeping your Online Banking ID, Password, and account data confidential. We are entitled to act on transaction instructions received using your Online Banking ID and Password and you agree that the use of your Online Banking ID and Password will have the same effect as your signature in authorizing transactions, authenticating your identity, and verifying instructions you have provided to us. If you authorize other persons to use your Online Banking ID and Password in any manner, your authorization will be considered unlimited in amount and manner until you have notified us in writing that you have revoked the authorization and changed your Online Banking ID and Password, and you are responsible for any transactions made by such persons until you notify us that transfers by that person or instructions regarding your account(s) are no longer authorized and we have a reasonable opportunity to act upon the change of your Online Banking ID and Password.

3.3 Things for Which We Will Not Be Responsible and Further Limitations on Our Liability.

(a) Access. We will not be liable under this Agreement for failure to provide access or for interruptions in access to Online Banking due to a system failure or due to other unforeseen circumstances.

(b) Your Computer Equipment & Your Software. We will not be responsible for any errors or failures from any malfunction of your Computer or a computer virus, or other problems relating to your computer equipment used with Online Banking. We are not responsible for any error, damages, or other loss you may suffer due to malfunction or misapplication of any system you use, including your browser (Firefox®, Microsoft Explorer®, Google Chrome®, Microsoft Edge®, or otherwise), your Internet service provider, your personal financial management or other software (such as Quicken® or Microsoft Money®), or any equipment you may use (including your telecommunications facilities, computer hardware and modem) to access or communicate with Online Banking.

(c) Your Home Banking Set-up. You will access Online Banking via our website. Neither we nor any of our service providers are liable for any damages (whether direct, indirect, special, or consequential or otherwise), including economic, property, personal, or other loss or injury, whether caused by hardware or software or system-wide failure, arising or resulting from the installation, use, or maintenance of the equipment, software or other items necessary to operate Online Banking.

(d) Warranty & Software Limitations. Warranties of Fitness and Merchantability. Neither we nor any software suppliers nor any information providers make any warranty, express or implied, to you concerning the software, equipment, browser or other services including, but not limited to, any warranty of merchantability or fitness for particular purpose of non-infringement of third-party rights, unless disclaiming such warranty is prohibited by law.

(e) Computer-Related Warranties. Neither we nor any software supplier nor information provider represents and warrants to you that the software we supply to you for Online Banking is free from any defects, computer virus or other software-related problems. In the event of such defects or computer virus caused by any Online Banking software, our sole responsibility shall be limited to the replacement or the reasonable cost of replacement of the software we provided in connection with the Online Banking services. We will not be liable for any indirect, special, consequential, economic or other damages. In states which do not allow the exclusion or limitation, our liability is limited to the extent permitted by applicable law.

(f) General Limitation on Liability. In no event shall the Bank be liable for special, indirect, punitive, incidental, or consequential loss or damage of any kind, including lost profits, whether or not the Bank has advised you of the possibility of such loss or damage arising or related to your use of Online Banking. In states which do not allow the exclusion or limitation, our liability is limited to the extent permitted by applicable law.

4. FUNDS TRANSFER SERVICE FOR ACCOUNTS SUBJECT TO THE ELECTRONIC FUNDS TRANSFER ACT

Some of the accounts to which you have household access through Online Banking may be governed by the Electronic Funds Transfer Act (EFTA) and Reg. E. In general, the EFTA and Reg. E govern accounts established by a natural person primarily for personal, family, or household purposes. The following terms and disclosures apply to accounts governed by the EFTA and Reg. E ("EFTA Accounts"), and, with respect to EFTA Accounts, if there is any conflict between these disclosures and terms set forth elsewhere in this Agreement, these disclosures shall control. These disclosures do not apply to accounts that are not EFTA Accounts.

4.1 Customer Liability. Contact us AT ONCE if you believe your Online Banking ID and Password has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you believe your Online Banking ID and Password has been lost or stolen, and you tell us within two (2) business days after you learn of the loss or theft, you can lose no more than \$50 if someone used your Online Banking ID and Password without your permission. If

you do NOT tell us within two (2) business days after you learn of the loss or theft of your Online Banking ID and Password, and we can prove we could have stopped someone from using your Online Banking ID and Password without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods. You are fully obligated to us to provide sufficient funds for any payments or transfers you make or authorize to be made. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

4.2 Preauthorized Transfers. A preauthorized electronic fund transfer (PEFT) is an electronic fund transfer that is authorized in advance and is scheduled to recur on a periodic basis. If a PEFT to your account is scheduled to occur at least once every sixty (60) days, you are entitled to notice of the transfer from us within two (2) business days after it occurs, or notice that it did not occur within two (2) business days after the scheduled transfer date, or we are required to provide a readily available telephone line you may call to determine whether the transfer occurred. We need not comply with the foregoing requirements, however, if the payor notifies you that the transfer has been initiated. If a PEFT from your account will vary in amount from the previous transfer under the same authorization, the person you are going to pay will notify you, ten (10) days before each payment, when it will be made and how much it will be. (You may choose instead to get this payment only when the payment amount would differ by more than a certain amount from the previous payment, or when the payment would fall outside certain limits that you set.) Under the EFTA and Reg. E you have certain stop payment rights and obligations for your PEFT's. You can stop any PEFT by calling us at 1-888-853-7100, or by writing to us at Bar Harbor Bank & Trust, Attn: Electronic Banking Support, P.O. Box 1089, Ellsworth, ME 04605-1089, at least three (3) business days before the payment is scheduled to be made. If you stop payment by telephone, we may also require you to send us your request in writing within fourteen (14) days after you call. Liability for failure to stop payment of preauthorized transfer: If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

4.3 Bank's Responsibility. The Bank is responsible for completing transfers on time according to your properly entered and transmitted instructions. However, the Bank will not be liable for completing transfers: - if, through no fault of ours, you do not have enough available money in your account from which a payment or transfer is to be made, if the account has been closed, frozen, or is not in good standing, or if we reverse payment or transfer because of insufficient funds; - if any transfer exceeds the credit limit of any account or under the Instructions of this Agreement; - if you have not properly followed software or Online Banking instructions on how to make a transfer or other transaction; - if you have not given the Bank complete, correct, and current instructions, account numbers, Online Banking ID and Password, or other identifying information so that the Bank can properly credit your account or otherwise complete the transaction; - if you receive notice from a merchant or other institution that any payment or transfer you have made remains unpaid or has not been completed, and you fail to notify us promptly of that fact; - if withdrawals from any of your linked accounts have been prohibited by a court order such as a garnishment or other legal process; - if your Computer, your software, or Online Banking was not working properly and this problem should have been apparent to you when you attempted to authorize a transfer; - if you, or anyone you allow, commits fraud or violates any law or regulation; - if circumstances beyond the Bank's control prevent making a transfer or payment, despite reasonable precautions that the Bank has taken. Such circumstances include telecommunications outages, postal strikes, delays caused by payees, fires, and floods. There may be other exceptions to the Bank's liability as stated in the Account Agreements we have with you. **IN ADDITION, THE BANK WILL NOT BE LIABLE FOR INDIRECT, SPECIAL, CONSEQUENTIAL, ECONOMIC, OR OTHER DAMAGES ARISING OUT OF THE INSTALLATION, USE, OR MAINTENANCE OF ONLINE BANKING AND/OR ITS RELATED EQUIPMENT, SOFTWARE, OR ONLINE SERVICES.**

4.4 Disclosure of Account Information to Others. To the extent necessary to carry out the Online Banking functions, the Bank may disclose information about your accounts to third parties in the following instances: - when it is necessary for completing transfers; - in order to verify the existence and condition of a Payment Account, such as a credit bureau, merchant, or for a payee or holder of a check issued through Online Banking; - in order to comply with laws, government agency rules or orders, court orders, subpoenas or other legal process, or in order to give information to any government agency or official having legal authority to request such information; - to protect and enforce our rights; - in order to share our experience with you with reputable credit reporting agencies as authorized under federal law. Under the Fair Credit Reporting Act, you have the right to make sure that your credit bureau reports are correct and accurate; - in order to share information with our affiliates to the extent allowed by law; - in order to contract with outside agents or service providers to prepare account statements, enter or calculate transactions and balances, or provide other materials or services on our behalf; - if you give us your written permission (which may be by electronic or telecommunications transmission as well as on paper); - to our employees, auditors, service providers, attorneys, or collection agents in the course of their duties.

4.5 Error Resolution. If you believe your Online Banking ID and/or Password has become known by an unauthorized person, or that an unauthorized transaction has been or may be made from your account, alert the Bank immediately by calling us at 1-888-853-7100, or write

to us at: Bar Harbor Bank & Trust, Attn: Electronic Banking Support, P. O. Box 1089, Ellsworth, ME 04605- 1089. - If you think your statement is wrong or if you need more information about a transaction listed on the statement, the Bank must hear from you no later than sixty (60) days after it sends or delivers to you the FIRST statement on which the problem or error appeared. If you requested more information about a problem or error, the Bank must hear from you within sixty (60) days after it sends or delivers that information to you. - Tell us your name and account number(s). - Tell us the type, time, and date of the transaction and the dollar amount of the suspected error. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. If you tell the Bank orally, we may require that you send in your complaint or question in writing within ten (10) business days after we hear from you and we will then in good faith attempt to correct any error promptly. If the Bank needs more time, however, we may take up to forty-five (45) days to investigate your complaint or question, in which case, the Bank will provisionally re-credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes the Bank to complete its investigation. If the Bank asks you to put your complaint or question in writing and does not receive it within ten (10) business days, the Bank may not re-credit your account. If the Bank decides that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation and will debit the provisionally credited amount from your account. You may ask for copies of the documents that the Bank used in its investigation.

If Alerts are not available to you, then this Alerts Terms of Use does not apply. To the extent there is any conflict between the terms of the Agreement and this Alerts Terms of Use with respect to Alerts, then the terms in this Alerts Terms of Use shall apply. Alerts. Your enrollment in Bar Harbor Bankshares Online Banking and/or Mobile Banking (the "Service") includes enrollment to receive transaction alerts and notifications ("Alerts"). Alerts are electronic notices from us that contain transactional information about your Bar Harbor Bankshares account(s). Alerts are provided within the following categories:

- Mandatory Alerts provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.
- Account Alerts provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.
- Additional Alerts must be activated by you to be enabled. These Additional Alerts can be accessed from the "Settings" menu within the Mobile Banking Service.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. Bar Harbor Bankshares reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels ("EndPoints"):

- (b) a mobile device, by push notification;
- (c) an email account, by an e-mail message; or

You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences.
